Please wear a face covering when visiting Alconbury and Brampton Surgeries and Alconbury Dispensary.

Help keep yourselves and others safe by wearing a face covering at all times in our Practice.

This is a mandatory requirement, unless you are under the age of 11 or have a medical condition which provides exemption.

As we are your GP practice, please help our team by allowing them time to check your records or speak with a doctor on site, if there is a query. If it is determined that it is safer for you to wear a face covering, please comply with our wishes – this is primarily to protect you and your loved ones.

Our care for you, your wellbeing and the safety of our team in continuing to care for our community will always be our priority.

You can continue to access our services remotely, safely and securely, wherever you are by:

- Telephoning us
- Visiting our website and using our online consultation tool
- Telephoning 111 or visiting www.111.nhs.uk

**Thank you for your ongoing support
Alconbury and Brampton Surgeries**
